# KENT NARROWS

## Fish Kent Narrows, Maryland

During the boating season, groups and individuals are able to find a wide array of fishing experiences by contacting one of the many charter boat captains that work from this area. Anglers can almost always find a spot on one of the head boats that leave from the public landing at Well's Cove each morning around 7 a.m.

**Anglers come here to learn from some of the most experienced captains on all of the Chesapeake Bay.**

A variety of organizations and businesses sponsor **boat shows** and **sport fishing tournaments**. The **Annual Kent Narrows Fly and Light Tackle Tournament** happens each year in June.

A variety of maritime-based experiences originate from the marinas and public landings that sit along the Kent Narrows Waterfront. The region has the **highest concentration of high quality maritime-related services, yacht brokers, boat storage and repair facilities in the area.**

Those who are looking for multi-day experiences may also charter a vessel that originates from our waterfront. **Boaters can easily access to the Chesapeake Bay, one of the finest cruising areas in the world. C&C Charters, based in Kent Narrows offers a fleet of vessels for charter.** Choose from: motor yachts, express cruisers, trawlers, sailboats and catamarans.

## The Kent Narrows Waterfront

**Easy access off of US 301/50 from Exit 41, Kent Narrows West or Exit 42, Kent Narrows East**

Our scenic waterfront is located just about five miles east of the Chesapeake Bay Bridge. The resort region encompasses parts of Chester and Grasonville, and is known far and wide for producing some of the freshest seafood around. Here, the western coast of Kent Island connects to the Delmarva Peninsula via the Rt. 301/50 Bridge and the via the Rt.18 Watermen’s Memorial Drawbridge.

The Kent Island Narrows is known to locals as “the Narrows”. The waterway serves as a main thoroughfare for commercial and pleasure boating traffic joining the Chester River to the Eastern Bay. For a full listing of Captains, Charter Boats, Head Boats and other services visit [kentnarrowsmd.com](http://kentnarrowsmd.com).
